Registration fee includes lodging and meals. Participants will be staying in the air-conditioned Pulliam Hall suites located on the UW-Whitewater campus. Roommate requests are to be made at the time of registration and cannot be guaranteed. Requests must be made by all participants to be honored. Room assignment requests will not be shared until time of check-in. Continuing Education Services works to match roommates based on age, team, and school/community. Every effort is made to ensure that campers are not housed alone. However, "no-shows" and uneven numbers do occur from time to time. Requests for single rooms will not be honored. For each group of four campers, these suites provide four separate bedrooms, two bathrooms, a living space, and a kitchen with refrigerator, microwave, dishwasher and coffee maker. You must provide your own bedding, utensils, cookware, and dinnerware.
